Product

CEBOAD

Description

CEBOAD is a water based additive in paste made of coloured flecks to be added to Cebos finishing to give particular speckling of various tones.
CEBOAD is available in the colours: **Avio** (blue), **Cenere** (grey), **Mais** (yellow), **Mattone** (red), **Oliva** (green), **Tabacco** (brown).

CEBOAD is available in 500 ml containers.

Surface treatment of the substrate Colouring

CEBOAD shall not be coloured.

Application

CEBOAD is used with the multicolour interior finishing CEBOFREE WHITE .
Carefully mix CEBOAD and CEBOFREE WHITE in the following proportions:

CeboFree White	CeboAd
Pack of 4 lt	500 ml
Pack of 1.6 lt	200 ml

Refer to the relative Colour Card to choose the colour combination and for full description of the application cycle.

Useful suggestions

CEBOAD pack is transparent and graduated to help in measuring quantities inferior to 500 ml.

VOC Classification (2004/42/CE Directive)

Product not included in the annex
CEBOAD contains: 15 g/l VOC

Technical characteristics

Appearance: dense liquid
Specific weight: 1.03 g/cm³
pH: 7 – 7.5

Storage

Store the product in its original containers, tightly closed at ambient temperature between +5°C and +35°C, in a cool and well-ventilated place, sheltered from direct sunshine and heat sources.

Safety warnings

CEBOAD does not require any specific personal or environmental protection measures; it is however advised to avoid long contact with skin. In case of contact with eyes, rinse immediately with plenty of water; if irritations persist seek medical advice. If swallowed, seek medical advice immediately. The users' information is contained in the relative Safety Data Sheet.
