

TECHNICAL DATA SHEET

TDS 06.003

Product	CEBOTECH
Description	<p>CEBOTECH is a water based, acrylic, colourless, protective coating, for interiors and exteriors.</p> <p>CEBOTECH is available in 1 litre and 2.5 litres containers.</p>
Surface treatment of the substrate	<p>CEBOTECH, suitably coloured, is applied over CEBOART POZZOLANO and CEBORUSTIK to complete the decorative effect and to give water-resistant properties to the surface, without altering the water vapour permeability of the lime based coating.</p> <p>It is also the ideal, colourless protection over CEBOSTONE to attain a gloss effect and increase resistance and washability of the coating.</p>
Colouring	<p>CEBOTECH can be coloured with CeboColorStation tinting system or with CEBOKIT universal colorants in the quantities indicated on our Colour Cards. It is also possible to create different shades in addition to those presented on our Colour Cards by varying the quantities or by mixing different colorants. If more than one pack has to be produced in the same colour, it is advisable to use bases and colorants carrying the same lot number.</p>
Application	<p>CEBOTECH must be applied over CEBOART POZZOLANO, CEBORUSTIK and CEBOSTONE when the surface is perfectly dry. Refer to the relative technical data sheets and colour cards for full description of the application cycle.</p>
Useful suggestions	
VOC Classification (2004/42/CE Directive)	<p>Product category: Decorative effect coating (I) Maximum VOC content limit value (2010) for the ready-to-use product: 200 g/l. CEBOTECH contains: 10 g/l VOC</p>
Technical characteristics	<p>Estimated Coverage: 10 m²/litre. Appearance: liquid Specific weight: 1.05 g/cm³ pH: 8 – 9 Resistance to washing: The product withstands ordinary cleaning maintenance. Drying time: 4-6 hours according to ambient temperature and relative humidity.</p>
Storage	<p>Store the product in its original containers, tightly closed at ambient temperature between +5°C and +35°C, in a cool and well-ventilated place, sheltered from direct sunshine and heat sources.</p>
Safety warnings	<p>CEBOTECH does not require any specific personal or environmental protection measures; it is however advised to avoid long contact with skin. In case of contact with eyes, rinse immediately with plenty of water; if irritations persist seek medical advice. If swallowed, seek medical advice immediately and show the safety data sheet of the product.</p>
