Product

CEBOGLITTER

Description

CEBOGLITTER is a powder additive based on laminated glitter in uniform shape, to be added to Cebos finishing to obtain a more sparkling appearance.
CEBOGLITTER is available in three versions: **Argento** (silver), **Oro** (gold), **Rame** (copper).

Surface treatment of the substrate Colouring

CEBOGLITTER is available in 25 grams and 125 grams containers.

Application

CEBOGLITTER shall not be coloured.

CEBOGLITTER is used with all the acrylic Cebos finishing **for brush application**: CeboSpark, CeboStyle, CeboStyle Antico, CeboSi Universal, CeboSi Riflessi, CeboTrend, CeboVel Dune Plus, CeboStone and CeboTop. Refer to the relative technical data sheet for the method of application of all these products.
CEBOGLITTER can also be added to CeboVel S transparent finish, diluted with 15-20% water, for a brush application on surfaces which have already been decorated.

Carefully mix CEBOGLITTER to the chosen finishing paint in the following proportions:

Finishing paint	CeboGlitter
Pack of 5 lt	2 x 100 g
Pack of 2.5 lt	1 x 100 g
Pack of 1 lt	1 x 40 g

Useful suggestions

Add the CEBOGLITTER immediately prior to the application. The prepared mixed product must be applied within maximum 6 days..

VOC Classification (2004/42/CE Directive) Technical characteristics

Product not included in the annex

Appearance: solid
pH: 6 – 8

Storage

Store the product in its original containers, tightly closed at ambient temperature between +5°C and +35°C, in a cool and well-ventilated place, sheltered from direct sunshine and heat sources.

Safety warnings

CEBOGLITTER does not require any specific personal or environmental protection measures; it is however advised to avoid long contact with skin. In case of contact with eyes, rinse immediately with plenty of water; if irritations persist seek medical advice. If swallowed, seek medical advice immediately. The users' information is contained in the relative Safety Data Sheet.

This data sheet annuls and substitutes any previous version for this product. All the technical information herein stated come from our best experience: in any case however this Technical Data Sheet does not imply the liability of our Company for application of the product which is carried out beyond our control. Our Technical Department is at the users' service to provide additional information or clarifications.
