

# TECHNICAL DATA SHEET

TDS 05.009

## Product

## CEBOUP

## Description

CEBOUP is a water based additive in paste form based on luminescent pigments, specifically formulated to be added to Cebos finishing to reach a precious metallic appearance.

CEBOUP is available in 500 ml containers.

## Surface treatment of the substrate Colouring

CEBOUP shall not be coloured.

## Application

CEBOUP is used with the multicolour interior finishing CEBOFREE WHITE . Carefully mix CEBOUP and CEBOFREE WHITE in the following proportions:

<u>CeboFree White</u>	<u>CeboUp</u>
Pack of 4 lt	500 ml
Pack of 1.6 lt	200 ml

Refer to the relative Colour Card to choose the colour combination and for full description of the application cycle.

## Useful suggestions

CEBOUP pack is transparent and graduated to help in measuring quantities inferior to 500 ml.

## VOC Classification (2004/42/CE Directive)

Product not included in the annex  
CEBOUP contains: 80 g/l VOC

## Technical characteristics

Appearance: liquid  
Specific weight: 1.32 g/cm<sup>3</sup>  
pH: 8.5 – 9

## Storage

Store the product in its original containers, tightly closed at ambient temperature between +5°C and +35°C, in a cool and well-ventilated place, sheltered from direct sunshine and heat sources.

## Safety warnings

CEBOUP does not require any specific personal or environmental protection measures; it is however advised to avoid long contact with skin. In case of contact with eyes, rinse immediately with plenty of water; if irritations persist seek medical advice. If swallowed, seek medical advice immediately. The users' information is contained in the relative Safety Data Sheet.

This data sheet annuls and substitutes any previous version for this product. All the technical information herein stated come from our best experience: in any case however this Technical Data Sheet does not imply the liability of our Company for application of the product which is carried out beyond our control. Our Technical Department is at the users' service to provide additional information or clarifications.
