Revision date: 15/07/2019

## DATA SHEET ST A.001

### CEBOCOL

#### Description

Water-based dyeing pastes for the colouring of all Cebos Color products by using the CEBOCOLORSTATION dyeing system.

CeboCol pasta is divided into:

**HR series** (high resistance): dispersion of high resistance inorganic pigments, suitable for the coloring of products that can be placed both indoors and outdoors.

**IP Series** (interior performance): dispersion of high gloss organic pigments, suitable for the coloring of products that can only be placed indoors.

#### CeboCol HR for indoor and outdoor:

AB burnt orange– BC cobalt blue– BT earth brown– GL lemon yellow– GO ocre yellow– MN nut brown– NA slate black – RA antique red– VO olive green

#### CeboCol IP for indoor only:

BB bright blue - GZ saffron yellow - NG graphite black – RV bright red - VL lavender purple - VP petroleum green.

#### Packs available

1 Lt

#### Mixing

Mix the product well before use.

#### Dosages

CeboCol dosages are contained in the CEBOCOLORSTATION Software, which allows you to easily manage all the color folders of the various products, in their respective formats.

#### Technical features

Physical appearance: liquid

Specific Gravity: 1.0 - 1.73 g/cm<sup>3</sup> depending on the concentration and type of pigment.

pH: 8-9,5

#### VOC classification (Directive 2004/42/EC)

Product category: no category provided.

Maximum allowed (2010) no limit provided.

CeboCol contains VOC: 38 g/l

#### Storage

The product has a guaranteed duration of 12 months if stored in original packaging at temperatures between +5 and +35 °C, in a dry and ventilated place, away from the sun's rays and heat sources.

#### Safety instructions

The product does not require special environmental or personal protective measures; however it is advisable to avoid prolonged contact with the skin. In the case of eye contact immediately wash the eyes with clean water; if irritation occurs, consult a doctor. The user information is contained in the relevant Safety Data Sheet.

This Data Sheet replaces and cancels all other Data Sheets relating to the product described, drawn up on the previous date. All the information in this Data Sheet derives from our best experience: however, the Data Sheet does not imply any acquisition of responsibility by our Company for applications outside our direct control. Our Technical Department is always at your disposal to provide further information or clarification.
