Packs available

25 ml - 100 ml - 300 ml

Mixing

Shake the product well before use.

Dosages

CeboKit dosages are shown in the product color charts.

If you need to prepare several packs of the same colour, use products and CeboKit with the same batch number.

CeboKit dyes are miscible with each other; In addition, with a graduated syringe of 5 or 10 ml it is possible to vary the dosages indicated to obtain colors more or less intense than those presented in the Color Charts.
